WITF Bargaining Bulletin

August 20th, 2014

We are happy to announce that the contract was unanimously ratified this afternoon. We will work with WITF and their outside counsel to integrate the changes into the contract language and then will sign the contract which will run through to June 2018.

Those of you on staff should see your raises in the pay period ending August 28, 2014.

Please be in touch with any questions or issues.

Sincerely,

Carrie Biggs-Adams
Staff Representative

Richard McDermott
